CASE NO:

**STANDING ORDER
REGARDING NEWLY
ASSIGNED CASES**

19
20 **READ THIS ORDER CAREFULLY. IT CONTROLS THIS CASE.**

21 This action has been assigned to the calendar of Judge Philip S. Gutierrez.
22 The responsibility for the progress of litigation in the Federal Courts falls not only
23 upon the attorneys in the action, but upon the Court as well. “To secure the just,
24 speedy, and inexpensive determination of every action,” Fed. R. Civ. P. 1, all
25 counsel are hereby ordered to familiarize themselves with the Fed. R. Civ. P. ,
26 particularly Fed. R. Civ. P. 16, 26, the Local Rules of the Central District of
27
28

California, this Court's Order for Jury Trial, and this Court's Order for Court Trial.¹

UNLESS OTHERWISE ORDERED BY THE COURT, THE FOLLOWING RULES SHALL APPLY:

1. Service of the Complaint. The Plaintiff(s) shall promptly serve the Complaint in accordance with Fed. R. Civ. P. 4 and file the proofs of service pursuant to Local Rule. Any Defendant(s) not timely served shall be dismissed from the action without prejudice. Any "DOE" or fictitiously-named Defendant(s) who is not identified and served within 90 days after the case is filed shall be dismissed pursuant to Fed. R. Civ. P. 4(m).

2. Removed Actions. Any answers filed in state court must be refiled in this Court as a supplement to the petition. Any pending motions must be re-noticed in accordance with Local Rule. If an action is removed to this Court that contains a form pleading, i.e., a pleading in which boxes are checked, the party or parties utilizing the form pleading must file an appropriate pleading with this Court within thirty (30) days of receipt of the Notice of Removal. The appropriate pleading referred to must comply with the requirements of Fed. R. Civ. P. 7, 7.1, 8, 9, 10 and 11.

1 **3. Presence of Lead Counsel.** The attorney attending any proceeding
2 before this Court, including all status and settlement conferences, must be the lead
3 trial counsel.

4 **4. Filing.** The Court's CM/ECF system is available 24/7 for electronic
5 filing of documents. Parties may register for access to PACER. For more
6 information, please visit the Court's website.

7 Unrepresented litigants who cannot electronically file their documents in the
8 CM/ECF system may mail their filings to the Clerk of Court at 255 E. Temple
9 Street, Suite TS-134, Los Angeles, CA 90012-3332 or submit documents for filing
10 through the Court's Electronic Document Submission System (EDSS). For
11 additional filing information, please visit the Court's website, scroll down to the
12 box labeled "People without Lawyers," and click "Questions and Answers."

13 Attorneys who are required to manually file documents pursuant to the
14 Local Rules must mail their filings to the Clerk of Court at the above address.

15 Non-paper physical exhibits exempted from electronic filing shall be sent
16 via U.S. Mail or other commercial delivery to the Clerk of Court at the above
17 address.

18 **5. Discovery.** All discovery matters have been referred to a United
19 States Magistrate Judge to hear all discovery disputes. (The Magistrate Judge's
20 initials follow the Judge's initials next to the case number.) All documents must
21 include the words "DISCOVERY MATTER" in the caption to ensure proper
22 routing. Counsel are directed to contact the Magistrate Judge's Courtroom Deputy
23 Clerk to schedule matters for hearing. Please do not deliver mandatory chambers
24 copies of these papers to this Court.

25 The decision of the Magistrate Judge shall be final, subject to modification
26 by the District court only where it has been shown that the Magistrate Judge's
27
28

1 order is clearly erroneous or contrary to law. Any party may file and serve a
2 motion for review and reconsideration before this Court. The moving party must
3 file and serve the motion within fourteen (14) days of service of a written ruling or
4 within fourteen (14) days of an oral ruling that the Magistrate Judge states will not
5 be followed by a written ruling. The motion must specify which portions of the
6 text are clearly erroneous or contrary to law, and the claim must be supported by
7 points and authorities. Counsel shall deliver a conformed copy of the moving
8 papers and responses to the Magistrate Judge's clerk at the time of filing.

9 **6. Motions - General Requirements**

10 a. Time for Filing and Hearing Motions: Motions shall be filed in
11 accordance with Local Rules 6 and 7. This Court hears motions on Fridays,
12 beginning at 1:30 p.m. If the motion date selected is not available, the Court will
13 issue a minute order striking the motion. (Counsel are advised to check the
14 availability of a selected date *immediately* prior to filing the motion.) Opposition
15 or reply papers due on a holiday must be filed the preceding business day (i.e.
16 Thursday)—not the following business day (i.e. Monday)—and must be hand-
17 delivered or emailed to opposing counsel on the preceding business day.
18 Professional courtesy dictates that moving parties should, whenever possible,
19 avoid filing motions for which opposition papers will be due the Thursday
20 preceding a holiday. Such a filing is likely to cause a requested continuance to be
21 granted.

22 Adherence to the timing requirements is mandatory for Chambers'
23 preparation of motion matters.

24 b. Pre-filing Requirement: Counsel must comply with Local Rule 7-3,
25 which requires counsel to engage in a pre-filing conference "to discuss
26 thoroughly . . . the substance of the contemplated motion and any potential
27
28

1 resolution.” Counsel should discuss the issues to a sufficient degree that if a
2 motion is still necessary, the briefing may be directed to those substantive issues
3 requiring resolution by the Court. Counsel should resolve minor procedural or
4 other non-substantive matters during the conference. The *pro per* status of one
5 or more parties does not negate this requirement.

6 c. Length and Format of Motion Papers: Memoranda of points and
7 authorities in support of or in opposition to motions shall not exceed 25 pages.
8 Replies shall not exceed 12 pages. Only in rare instances and for good cause
9 shown will the Court grant an application to extend these page limitations.
10 Pursuant to Local Rule, either a proportionally spaced or monospaced face may be
11 used. A proportionally spaced face must be 14-point or larger, or as the Court may
12 otherwise order. A monospaced face may not contain more than 10½ characters
13 per inch. These typeface requirements apply to footnoted material.

14 d. Citations to Case Law: Citations to case law must identify not only the
15 case cited, but the specific page referenced.

16 e. Citations to Other Sources: Statutory references should identify with
17 specificity the sections and subsections referenced (*e.g.*, Jurisdiction over this
18 cause of action may appropriately be found in 47 U.S.C. § 33, which grants the
19 district courts jurisdiction over all offenses of the Submarine Cable Act, whether
20 the infraction occurred within the territorial waters of the United States or on
21 board a vessel of the United States outside said waters). Statutory references that
22 do not specifically indicate the appropriate section and subsection (*e.g.*, Plaintiffs
23 allege conduct in violation of the Federal Electronic Communication Privacy Act,
24 18 U.S.C. § 2511, et seq.) are to be avoided. Citations to treatises, manuals, and
25 other materials should include the volume, section, and pages being referenced.

26 f. Oral Argument: If the Court deems a matter appropriate for decision
27
28

without oral argument, the Court will notify the parties in advance.

7. Specific Motion Requirements

a. Motions Pursuant to Rule 12: Many motions to dismiss or to strike can be avoided if the parties confer in good faith (as required under Local Rule 7-3), especially for perceived defects in a complaint, answer, or counterclaim that could be corrected by amendment. *See Chang v. Chen*, 80 F.3d 1293, 1296 (9th Cir. 1996) (where a motion to dismiss is granted, a district court should provide leave to amend unless it is clear that the complaint could not be saved by any amendment). Moreover, a party has the right to amend the complaint once as a matter of course within twenty-one (21) days of serving it or “if the pleading is one to which a responsive pleading is required, 21 days after service of a responsive pleading or 21 days after service of a motion under Rule 12(b), (e), or (f), whichever is greater.” Fed. R. Civ. P. 15(a)(1). Even after a complaint has been amended or the time for amending it as a matter of course has run, the Federal Rules provide that leave to amend should be “freely given when justice so requires.” Fed. R. Civ. P. 15(a)(2). The Ninth Circuit requires that this policy favoring amendment be applied with “extreme liberality.” *Morongo Band of Mission Indians v. Rose*, 893 F.2d 1074, 1079 (9th Cir. 1990).

These principles require that plaintiff’s counsel carefully evaluate defendant’s contentions as to the deficiencies in the complaint. In most instances the moving party should agree to any amendment that would cure the defect.

b. Motions to Amend: In addition to the requirements of Local Rule 15-1, all motions to amend pleadings shall: (1) state the effect of the amendment; (2) be serially numbered to differentiate the amendment from previous amendments; and (3) state the page and line number(s) and wording of any proposed change or addition of material.

1 The parties shall deliver to Chambers a “redlined” version of the proposed
2 amended pleading indicating all additions and deletions of material.

3 c. Summary Judgment Motions: Parties need not wait until the motion
4 cutoff to bring motions for summary judgment or partial summary judgment.
5 Moreover, the court expects that the party moving for summary judgment will
6 strictly observe the timing requirements of the Local Rules and this Standing
7 Order. A motion under Rule 56 must be filed at least forty-nine (49) days prior to
8 the date on which the motion is noticed for hearing. The opposition is due not
9 later than twenty-one (21) days before the date designated for the hearing of the
10 motion, and the reply not later than fourteen (14) days before the date designated
11 for the hearing of the motion. Because summary judgment motions are fact-
12 dependent, parties should prepare papers in a fashion that will assist the court in
13 absorbing the mass of facts (*e.g.*, generous use of tabs, tables of contents,
14 headings, indices, etc.). The parties are to comply precisely with Local Rule 56-1
15 through 56-4.

16 No party may file more than one motion pursuant to Fed. R. Civ. P. 56,
17 regardless of whether such motion is denominated as a motion for summary
18 judgment or summary adjudication, without leave from the Court.

19 1. Statement of Undisputed Facts and Statement of Genuine Issues:

20 The separate statement of undisputed facts shall be prepared in a two-
21 column format. The left hand column sets forth the allegedly undisputed fact.
22 The right hand column sets forth the evidence that supports the factual statement.
23 The factual statements should be set forth in sequentially numbered paragraphs.
24 Each paragraph should contain a narrowly focused statement of fact. Each
25 numbered paragraph should address a single subject as concisely as possible.

26 The opposing party’s statement of genuine issues must be in two columns
27
28

1 and track the movant's separate statement exactly as prepared. The left hand
2 column must restate the allegedly undisputed fact, and the right hand column must
3 state either that it is undisputed or disputed. The opposing party may dispute all
4 or only a portion of the statement, but if disputing only a portion, it must clearly
5 indicate what part is being disputed, followed by the opposing party's evidence
6 controverting the fact. The court will not wade through a document to determine
7 whether a fact really is in dispute. To demonstrate that a fact is disputed, the
8 opposing party must briefly state why it disputes the moving party's asserted fact,
9 cite to the relevant exhibit or other piece of evidence, and describe what it is in
10 that exhibit or evidence that refutes the asserted fact. No legal argument should be
11 set forth in this document.

12 The opposing party may submit additional material facts that bear on or
13 relate to the issues raised by the movant, which shall follow the format described
14 above for the moving party's separate statement. These additional facts shall
15 continue in sequentially numbered paragraphs and shall set forth in the right hand
16 column the evidence that supports that statement.

17 2. Supporting Evidence: No party shall submit evidence other than
18 the specific items of evidence or testimony necessary to support or controvert a
19 proposed statement of undisputed fact. For example, entire deposition transcripts,
20 entire sets of interrogatory responses, and documents that do not specifically
21 support or controvert material in the separate statement shall not be submitted in
22 support of opposition to a motion for summary judgment. The court will not
23 consider such material.

24 Evidence submitted in support of or in opposition to a motion should be
25 submitted either by way of stipulation or as exhibits to declarations sufficient to
26 authenticate the proffered evidence, and should not be attached to the
27
28

1 memorandum of points and authorities. The court will accept counsel's
2 authentication of deposition transcripts, written discovery responses and the
3 receipt of documents in discovery if the fact that the document was in the
4 opponent's possession is of independent significance. Documentary evidence as
5 to which there is no stipulation regarding foundation must be accompanied by the
6 testimony, either by declaration or properly authenticated deposition transcript, of
7 a witness who can establish authenticity.

8 3. **Objections to Evidence:** If a party disputes a fact based in
9 whole or in part on an evidentiary objection, the ground of the objection, as
10 indicated above, should be stated in a separate statement but not argued in that
11 document.

12 8. **Proposed Orders.** Each party filing or opposing a motion or seeking
13 the determination of any matter shall serve and lodge a proposed order setting
14 forth the relief or action sought and a brief statement of the rationale for the
15 decision with appropriate citations.

16 9. **Mandatory Chambers Copies:** Mandatory chambers copies of ALL
17 filed documents must be delivered to Judge Gutierrez's mail box outside the
18 Clerk's Office on the 4th floor of the First Street Courthouse not later than 12:00
19 noon the following business day. Documents must be blue-backed and two-hole
20 punched at the top. All exhibits, declarations, etc. must be tabbed, where
21 applicable. For security reasons, mandatory chambers copies should be removed
22 from envelopes or folders before placing them in the box.

23 Chambers copies of under seal documents shall be placed in manila envelope
24 labeled "UNDER SEAL".

25 10. **Telephonic Hearings.** The Court does not permit appearances or
26 arguments by way of telephone conference calls.

1 **11. Ex Parte Applications.** The Court considers ex parte applications
2 on the papers and does not usually set these matters for hearing. If a hearing is
3 necessary, the parties will be notified. Ex parte applications are solely for
4 extraordinary relief and should be used with discretion. Sanctions may be
5 imposed for misuse of ex parte applications. *See Mission Power Engineering Co.*
6 *v. Continental Casualty Co.*, 883 F. Supp. 488 (C.D. Cal. 1995).

7 Counsel's attention is directed to Local Rules. The moving party shall serve
8 the opposing party by facsimile transmission and shall notify the opposition that
9 opposing papers must be filed not later than 3:00 p.m. on the first business day
10 following such facsimile service. If counsel does not intend to oppose an ex parte
11 application, he or she must inform the Courtroom Deputy Clerk at (213) 894-8899.

12 **12. TROs and Injunctions.** Parties seeking emergency or provisional
13 relief shall comply with Rule 65 and Local Rule 65. The Court will not rule on
14 any application for such relief for at least twenty-four hours after the party subject
15 to the requested order has been served, unless service is excused. Such party may
16 file opposing or responding papers in the interim.

17 **13. Continuances.** This Court has a strong interest in keeping scheduled
18 dates certain. Changes in dates are disfavored. Trial dates set by the Court are
19 firm and will rarely be changed. Therefore, a stipulation to continue the date of
20 any matter before this Court **must** be supported by a sufficient basis that
21 demonstrates good cause why the change in the date is essential. Without such
22 compelling factual support, stipulations continuing dates set by this Court will not
23 be approved. Counsel requesting a continuance must lodge a proposed stipulation
24 and order including a **detailed** declaration of the grounds for the requested
25 continuance or extension of time. Failure to comply with the Local Rules and this
26 Order will result in rejection of the request without further notice to the parties.

1 Proposed stipulations extending scheduling dates do not become effective unless
 2 and until this Court so orders. Counsel wishing to know whether a stipulation has
 3 been signed shall comply with the applicable Local Rule.

4 **14. Communications with Chambers.** Counsel shall not attempt to
 5 contact the Court or its staff by telephone or by any other ex parte means. Counsel
 6 may contact the Courtroom Deputy Clerk with appropriate inquiries only.
 7 Counsel shall not contact the Courtroom Deputy regarding status of ex parte
 8 application/ruling or stipulation/ruling. If counsel desires a conformed copy of
 9 any proposed order submitted to the Court, counsel shall provide an extra copy of
 10 the document, along with a self-addressed, stamped envelope. Counsel should list
 11 their facsimile transmission numbers along with their telephone numbers on all
 12 papers to facilitate communication with the Courtroom Deputy.

13 **15. Order Setting Scheduling Conference.** Pursuant to
 14 Fed. R. Civ. P. 16(b), the Court will issue an Order setting a Scheduling
 15 Conference as required by Fed. R. Civ. P. 26 and the Local Rules of this Court.
 16 Strict compliance with Fed. R. Civ. P. 16 and 26 is required.

17 **16. Alternative Dispute Resolution (ADR).** This Court participates in
 18 the Court-Directed ADR Program. If counsel have received a Notice to Parties of
 19 Court-Directed ADR Program (ADR-08), the case will be presumptively referred
 20 to the Court Mediation Panel or to private mediation at the time of the initial
 21 scheduling conference. *See* General Order 11-10, §5.1. Counsel should include
 22 their shared or separate views regarding a preference for the Court Mediation
 23 Panel or private mediation, and when the mediation should occur, in the written
 24 report required by Fed.R.Civ.P. 26(f) and Civil L.R. 26-1. This Court generally
 25 does not refer settlement conferences to magistrate judges. For information about
 26 the Court's ADR Program, the Mediation Panel, and mediator profiles, visit the
 27
 28

1 “ADR” page of the Court website.

2 **17. Notice of this Order.** Counsel for plaintiff or plaintiff (if appearing
3 on his or her own behalf) shall immediately serve this Order on all parties,
4 including any new parties to the action. If this case came to the Court by a
5 Petition for Removal, the removing defendant(s) shall serve this Order on all
6 other parties.
